Q2 Grantee Highlights

The Highmark West Virginia Charitable Fund for Health is a restricted fund of the Highmark Foundation that was established in 2021. The Charitable Fund for Health's mission is to improve the health, well-being and quality of life for individuals who reside in all 55 counties in West Virginia. The Highmark West Virginia Charitable Fund for Health strives to support health-focused programs that impact individuals, families and communities throughout the Mountain State and work collaboratively to leverage additional funding to achieve replicable models. Visit highmarkfoundation.org for more information.

All grants are reviewed quarterly and approved by a group of independent fund advisors.
