# Q3 Grantee Highlights

The Highmark West Virginia Charitable Fund for Health is a restricted fund of the Highmark Foundation that was established in 2021. The Charitable Fund for Health's mission is to improve the health, well-being and quality of life for individuals who reside in all 55 counties in West Virginia. The Highmark West Virginia Charitable Fund for Health strives to support health-focused programs that impact individuals, families and communities throughout the Mountain State and work collaboratively to leverage additional funding to achieve replicable models.

Visit [highmarkfoundation.org](https://highmarkfoundation.org) for more information.

*All grants are reviewed quarterly and approved by a group of independent fund advisors.*
