## Program Region

## Grant Health Focus

*These charts represent the primary location and/or health focus of the funded grants below, but many address more than one category.*

The Highmark West Virginia Charitable Fund for Health is a controlled fund of the Highmark Foundation. The Charitable Fund for Health's mission is to improve the health, well-being and quality of life for individuals who reside in all 55 counties in West Virginia. The Highmark West Virginia Charitable Fund for Health strives to support programs that impact multiple counties and work collaboratively to leverage additional funding to achieve replicable models.

For more information, visit [www.highmarkfoundation.org](http://www.highmarkfoundation.org).

*All grants are reviewed quarterly and approved by a group of independent fund advisors.*
